NATIONAL CHAMPIONS

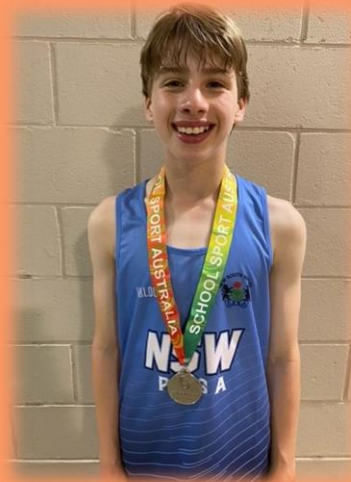

Harrison C last week took out the under 10's high jump title clearing a whopping 1m 43 cm at National PSSA Athletics Championships.

He is now officially the NATIONAL CHAMPION!

What an amazing sporting feat!

Hot on his heels in the under 12 high jump was Thomas S who placed second nationally!

Again, another incredible effort!

2023 START DATE

Students will return to school on Tuesday 31st January 2023. Please pop this date in your calendars.

LEADERSHIP UPDATE

Our prospective school leaders have given their speeches this week and adorned the school with their how to vote marketing!

This has been a great group of leaders who are very positive and keen to make some improvements in our school. The new leadership team will be announced at the Stage 3 assembly 15 December. Parents of successful candidates will be invited to the assembly.

CLASS PLACEMENTS 2023

Over the coming weeks teachers will be working together to place students into classes for 2023. There are many complexities involved in placing students including social, emotional academic and behavioral.

Class placements are always designed to maximise the potential of all students. Parental requests for students to be placed with friends or with specific teachers are not considered in this process.

Class placements will be available to parents via the SENTRAL parent portal late in January, prior to the commencement of school.

REPORTS

End of year reports will be published to the parent portal on Friday 2nd December. This will give parents the opportunity to speak with their child's teacher regarding the report should there be any issues that arise.

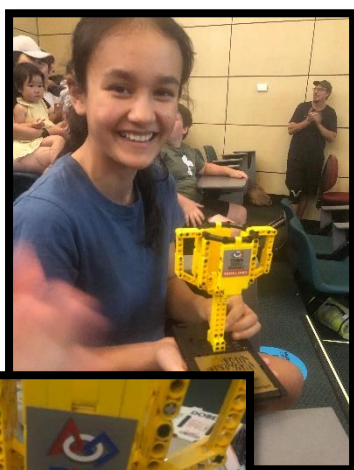

ON OUR WAY TO NATIONALS FOR LEGO LEAGUE

5/6T participated in the Regional Lego League Australia Challenge last Sunday at University of Newcastle - Ourimbah Campus. This challenge includes a robotic element and a design project innovating on energy.

Team Gliders came 2nd in the Innovation Award designing a wave machine that would generate power form the ocean. The Flabbergasted Flamingoes placed 6th / 25 in the robotic challenge. Spike George placed 4th in the robot challenge and won the Engineering Design Award which includes robot design with coding and innovation design of portable solar panels with many features. Spikey George are going to the National Challenge, held at Macquarie University on Saturday 3rd December.

A very special mention to Mrs Tweeddale who was awarded with the best coach / mentor award.

NFL

This week we hosted Mr Bob Harrison at our school. Mr Harrison is the Hunter Sports Coordinator and he gave up some of his time to teach the kids NFL style flag football. Thank you for coming along and providing this opportunity for our students.

YEAR 6 FAREWELL

As we near the end of year we look forward to celebrating our year 6 students. We will be hosting the farewell at school on Thursday 15th December. Students have received their invitations and parents have received a permission note and fee request for the evening. Permission and payment are due by Friday 2nd December to provide time to finalise catering for the evening.

Thank you to the parents who have volunteered to help on the evening.

RUGBY 7'S

Today Mr Jackson took a team of students to Walters Park at Speers Point to participate in the Under 12's Rugby 7's gala day hosted by Hunter Rugby Union and PSSA. The boys won 75% of their games which is an outstanding effort.
