KINGS CHESS TEAM NSW REGIONAL CHAMPS

Our Kings Chess Team travelled to Sydney last week to complete in the state finals of the Kings Chess Tournament. They easily took down Wollongong Public School 6.5 points to 1.5 points. From there, they competed against a highly fancied Beecroft Public School. Unfortunately, Beecroft Public School were too strong and came away with the win. New Lambton South Public School are Regional Champions and have placed second in the state overall.

MEREWETHER HIGH SCHOOL ORIENTATION DAY

Some of our students travelled to Merewether Public School this week to take part in their transition to high school day. The students had a wonderful day and now feel a little more prepared to take on the challenges of high school.

ORIENTATION DAY FOR NEW OC STUDENTS

We welcomed our new 2024 OC students to our school yesterday. The students spent time in the class and enjoyed getting to know their peers. Looking forward to welcoming them in Term 1.

MUSIC EVENING

What a talented bunch of musicians we have at NLSPS! It was a wonderful celebration of the music program that has been very successfully run by MRs Caban for a number of years.

RUGBY 7'S GALA DAY

In a sensational display of skill and determination, our school's Rugby 7s team left an indelible mark on the recent tournament, losing only one out of six matches played throughout the day. This remarkable achievement is even more commendable considering that many of these young athletes entered the tournament with little to no prior rugby experience.

The pinnacle of the day unfolded in the Shield final, where our tenacious team fought tooth and nail to secure victory. The thrilling match ended in a 15-all draw, leaving spectators on the edge of their seats. However, heartbreak struck as Maitland East claimed the trophy by scoring the first try of the game. Despite this narrow defeat, the team's resilience and exceptional teamwork were evident, showcasing their rapid development and ability to face challenges head-on.

NATIONAL ONLINE MINI SOLAR VEHICLE COMPETITION

5/6T competed in the National Online Mini Solar Vehicle Competition this term. Lucas, Wenhao and Xinyang placed first in the primary school division with a time of 8.99 seconds. Congratulations.
